

Animal Care Diploma

16-19

Adult

Learn the basic skills to start your career working with animals on our Level 1 Animal Care course. If your GCSEs were not what you expected, this course is an ideal starting point in order to progress onto Level 2.

You will learn the basic skills and knowledge associated with animal care working with a wide range of animals including: feeding, cleaning and exercising and general care. Our campuses are also home to a large variety of animals which include bearded dragons, snakes, pigs, tortoises, rats, rabbits, donkeys, poultry and cattle.

Caring for animals can be an extremely fulfilling and rewarding career. From working in kennels and catteries to pet shops, rescue centres or sanctuaries, there is a wide range of careers available on successful completion of your course. With access to animal collections on campus you will gain the practical training you need to pursue a career in this exciting industry.
