

Animal Management Diploma

16-19

Adult

Our Level 3 Animal Management Diploma at Bicton College offers you the choice of university study or employment on successful completion of your course. There are one and two year options available with this pathway and we will work with you to decide which is best for you.

This is a two-year course but you will need to pass the first year in order to progress onto the second.

Caring for animals can be an extremely fulfilling and rewarding career. From working in kennels and catteries to pet shops, rescue centres or sanctuaries, there is a wide range of careers available on successful completion of your course. With access to an array of animal collections on campus you will gain the practical training you need to pursue a career in this exciting industry. Our state of the art animal husbandry school at Bicton College provides dedicated access to a huge range of animal species such as our monitor lizard, coatis and lemurs.
