

Extended Advanced Technical Diploma in Agriculture

16-19

Adult

This course is a follow on programme for students that have successfully completed the Level 3 Advanced Technical diploma in agriculture (540). The course builds on the knowledge and skills developed in that programme, extending deeper into areas of agricultural production and management, ideal for those looking for a career in agricultural management or the allied industries.

This Level 3 is an advanced level programme equivalent to A levels, providing UCAS points and progression opportunities to university undergraduate programmes.
