

Land Based Studies – Horse Care Pathway

16-19

Adult

Learn the essential skills to start your career working with Horses on our Level 1 Horse Care course. If your GCSEs were not what you expected, this course is an ideal starting point in order to progress onto Level 2.

You will learn the essential skills and knowledge associated with horse care including: feeding, cleaning and exercising and general care.

Caring for horses can be an extremely fulfilling and rewarding career and there are a wide range of options available on successful completion of your course.

Our top class facilities include stabling for 24 horses, horse walker, solarium, and covered practical area, 20m x 60m indoor arena with viewing gallery and 30m x 60m outdoor arena. We provide a range of horses to suit all abilities including cobs, thoroughbreds, young horses and competition horses.
