

Military and Protective Services

16-19

Adult

Our Military and Protective Services (MaPS) Academy provides the ultimate preparation for a career in the armed forces, emergency and rescue services, the fire, police, ambulance, UK border force as well as, non-uniformed roles, civil service, voluntary or private security sector.

We offer two options for you to start your studies in the military and protective services depending on your GCSE results. On completion our Level 3 course offers you the choice of university study or employment. Our Level 2 course is ideal if you would like more time to develop your skills before progressing on to Level 3.

This one-year course offers you an insight into, and understanding of, the entry requirements for the military and protective services. Gain a wide variety of skills and knowledge from a range of units related to protective and military service. You will undertake practical military training and education in order to equip you with the necessary skills to enable you to make decisions on which service to apply for and to prepare you in all respects for initial selection.
