

# Safe Use Of Pesticides PA1 & PA6

Adult

Employer Training

This 3 day course will cover:

Day 1 - PA1 which is classroom based and will take you through current legislation/ health & safety etc.

Day 2 - operating the knapsack equipment for PA6. By the end of the day you will be able to understand how to use pesticides and equipment safely and become a safe and competent user.

Day 3 - an assessment (approx. 3 hours)

We also run add-ons to go with the PA6 qualification, they are:

- PA6 (AW) for spraying near water - £115
- PA6 (Injection) - Operating hand held pesticide injection equipment - £155
- PA6 PP (Plugs) - installing pesticide plugs in tree stumps - £155
  
- We can also run PA1/PA3 which is Safe Application of Pesticides using Variable Geometry Boom or Broadcast Sprayers Award – this is usually used in Orchards/chicken houses etc. We could come to your place of work to do on-site training and assessment for this qualification. Cost of this is £505

For further information about the 'add-ons' and additional courses, please contact the Short Course team at Bicton [bictonregistry@cornwall.ac.uk](mailto:bictonregistry@cornwall.ac.uk)
