Adult

Our Military and Protective Services (MaPS) Academy provides the ultimate preparation for a career in the Armed Forces, Emergency and Rescue services, the fire, police, ambulance, UK Border force as well as, Non-uniformed roles, civil service, voluntary or private security sector.

We offer two options for you to start your studies in the military and protective services depending on your GCSE results. On completion our Level 3 course offers you the choice of university study or employment. Our Level 2 course is ideal should your GCSEs not be what you expected with the option to progress to Level 3 on successful completion of your course.

Preparing you for a career in the armed forces is our ultimate goal. We pride ourselves on our success rates with 80% of students who pass going straight into the military or protective services and the remaining 20% continuing their studies.

This course will challenge you, take you out of your comfort zone and put you one step ahead of the rest. More importantly it will offer you the opportunity to find out more about the benefits of a career in the uniformed and non-uniformed services before you commit yourself.

You will love taking part in our annual field trip to the Houses of Parliament or our three-day survival school and two five-day residential military exercises. Expect to visit local Armed forces monthly such as HMS Raleigh. We also have accommodation on campus at Bicton College.

Please note: As part of your course you will be required to carry out Work Experience and/or an Industry Placement.
