

Land & Wildlife Management Diploma

16-19

Adult

This sector is all about sustaining, protecting and conserving the natural environment. So if you love the countryside, are passionate about its protection and conservation, and the livelihoods that rely on its existence, then this is the career for you.

If you would love a career working outdoors then this course is ideal for you. Throughout your studies you will learn the skills and knowledge needed to manage land and wildlife and have the opportunity to go on field trips and work with numerous organisations such as the National Trust, Forestry England, Dartmoor National Park, RSPB and the Pebblebed Heath Conservation Trust.

With access to our beautiful farms and estates this course focuses on practical skills development, ensuring you are work ready when you finish your studies. Bicton College is located in an area of outstanding natural beauty and the grounds include an 8 acre wet woodland, numerous freshwater habitats, grassland, woodland, farmland and is home to many species including Dormice, Otters, Beavers, Barn Owls, Roe Deer, Grass Snakes, Common Lizards and Greater Horseshoe Bats.
